HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Elizabeth and Richard, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant". This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are

represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Elizabeth and Richard, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Elizabeth, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important

information available in your Personality Chart!

Elizabeth, your Life Path is 26/8

Elizabeth, you are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, it's purpose, and long range goals.

You are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required.

Elizabeth, your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the

right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Elizabeth, your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

Richard, your Life Path is 20/2

The key word in your nature is peacemaker. Richard, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment.

Richard, you have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling.

However, your sensitivity can also be your downfall. Your extremely delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger.

Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated and your accomplishments overlooked. Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment. You have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

Your Life Path's compatibility is 8 and 2

Elizabeth and Richard, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

Richard is drawn to Elizabeth in part because Elizabeth has great inner strength and the kind of personal power that reveals the possibility of worldly success. Capable and goal-oriented, Elizabeth is a force to be reckoned with.

Elizabeth is attracted to Richard largely because Elizabeth recognizes in

Richard an emotional and spiritual wealth that may well have remained, at least to some extent, dormant in the life of Elizabeth. Richard lives and experiences life on many levels. Richard knows the heart and the power of emotions. When brought together, the two and the eight's individual innate qualities can produce quite a balanced relationship.

This is a combination with potential to survive for years and years.

However, an important detail you both must be attentive to, is that the relation between a two and an eight is often based on illusions, and when such illusions fall apart, the relationship may crash.

The two sees strength, and thinks it will always be there. The eight sees romance and the subtle powers of the heart, and thinks it will last forever. Neither does, of course. Strength eventually dissipates. The heart slowly loses interest.

However, that does not mean this relationship doesn't stand a chance. It certainly does. And the key to make it a pleasant, long lasting relationship is to recognize each other for what you are, beyond the obvious. Richard must learn to love not only Elizabeth's strength and capabilities but also Elizabeth's weaknesses. It is important that Richard can love Elizabeth as a whole human being. And Elizabeth, in turn, must learn to love not only the romantic presence, the passion of the heart Elizabeth craves in Richard, but Richard as a whole human being.

Few combinations tend to give birth to relationships based on illusions as often as do the two and the eight. But Richard and Elizabeth, don't forget that this is just one aspect of the chart. You both have many other qualities to be brought to the surface, exercised and explored to your mutual benefit. Just keep that in mind, unite your respective strengths and move on to turn yours into a most pleasant, rewarding and long lasting relationship.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and

the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Elizabeth, your Expression is 11/2

Elizabeth, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Elizabeth, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about

sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Elizabeth, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

Richard, your Expression is 8

Richard, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry.

You are a realist and a visionary planner. Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path.

You are dynamic and have a talent for efficiency. You understand the

larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

Richard, you are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all!

At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you.

It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Richard, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution.

Yours is a life time of harvest

Your Expression's compatibility is 2 and 8

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Elizabeth and Richard, as you may have noticed, the numbers that define the compatibility of your Expression are identical to the numbers found under your Life Path's compatibility - with the important difference that in this part of the chart, Elizabeth has Richard's number and Richard has Elizabeth's number.

What this means, is that the qualities described in the section under Life Path apply here too, but the attributes recognized as belonging to Elizabeth now also fit Richard and vice versa. And in equal measures. This is somewhat uncommon and the result is difficult, if not impossible, to predict. To use an analogy, you might say that the Life Path reveals that Elizabeth brings blue into the relationship, and Richard adds yellow. The result is green. At the same time, the Expression shows that in this part of the chart Richard contributes the blue and Elizabeth adds yellow. Again, the end product is green. Now you have twice the green, with each

of you bringing in similar attributes in equal amounts.

Read the compatibility section under the Life Path again, but this time replace Elizabeth with Richard and Richard with Elizabeth. In addition, all the qualities and traits, positive as well as negative, described in the compatibility section of the Life Path should be given considerably more weight.

When two people have a "reversed recurrence" of numbers, such as appears in your compatibility chart, Elizabeth and Richard, the effect tends to be either very good or very bad. There is no middle ground. All the qualities are intensified; the positive as well as the negative. Keys to maintaining a positive relationship therefore are your ability to compromise and to be tactful at all times. And most importantly, to avoid stressful confrontations through awareness and sensitivity.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Elizabeth and Richard, your Heart's Desire is 15/6

Elizabeth and Richard, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Elizabeth, your attention is directed to helping and caring for those you

love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness.

Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed.

Elizabeth, you are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship.

You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You are able to both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Elizabeth, your deepest intention is to love those around you, and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a beautiful and harmonious life with love as the basis for all social interaction. Your love is returned manifold; people appreciate you and the love you give, and are willing to go to great lengths to keep you close at hand.

Your Heart's Desire's compatibility is 6

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's

Desire numbers are not compatible.

Elizabeth and Richard, as a rule of thumb, relationships fare better when the core numbers found in the same location in a chart are not the same. An exception to this rule of thumb is the six, considered the most harmonious of all, the most loving and committed of all numbers, and rightly so!

Elizabeth and Richard, you both commit strongly to a romantic relationship. There is nothing you want more than to make the other person happy, to take care of and comfort your partner. You are dedicated to the point of being willing to sacrifice much of your own needs and desires towards this commitment.

You love kids, family, friends, and your local community. Your need to distribute love and comfort is such that, most probably, you will both get involved in something related to healing, teaching, counseling, or the arts.

Elizabeth and Richard, you must keep in mind that other numbers also play an important role in your relationship. However, even if some of those numbers are considered incompatible and bring in any negative influences, such influences will be at least in part diluted by the strongly compatible relationship found in this aspect of your charts.

There are instances, though, when the energy of the six may become overbearing, causing the relationship to shift from committed to co-dependent. This may happen, Elizabeth and Richard, if you allow your extremely protective feelings towards each other to cloud your judgment. Therefore, it is important that you maintain your individuality and your ability to find happiness and contentment in your own life without depending on your partner or anyone else.

Jealousy is another possible danger you should guard against. The same protective feelings mentioned earlier, if out of control, can make one possessive, giving rise to jealousy and distrust; two human traits that have caused so much harm among people who, under normal circumstances, have no reason to experience such negative thoughts and feelings.

Therefore, if you catch yourself doubting your partner's faith with no real cause, step back and look at the situation as objective as possible.

Elizabeth and Richard, the six found in this part of your chart is a powerful asset to the relationship. It is a number that brings harmony and love to all other numbers. Make good use of this blessing and you will live a beautiful romance while distributing love and care not only to your

own family but to your friends and community as well.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Elizabeth, your Personality is 14/5

Elizabeth, you are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit.

You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet.

You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others.

You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic.

Elizabeth, your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses -- sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give

rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships.

You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

Elizabeth, your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

Richard, your Personality is 11/2

Richard, you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Richard, your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Make an effort to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

The opposite sex is attracted to your gentle and attentive nature, yet senses the passion beneath your surface. You have sex appeal.

Exercise is important to your appearance and to promote the level of strength you radiate.

You are very patient and understanding, and a wonderful listener. You

make others feel important and loved.

You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

Richard, you are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement.

Your Personality's compatibility is 5 and 2

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Richard and Elizabeth, this aspect of the chart requires some special attention since, as a rule of thumb, the two and the five found in the same part of the chart make for short-lived relationships. They simply do not understand each other. In fact, they do not really like each other. The fact that you have a relationship means that other numbers are making up for the usual discordance that prevails between these two numbers. However, it is important to emphasize that the two and the five are only disharmonious when they are found in the same location in the chart. This disharmony does not exist when they are not in the same location. For example, a 2 Life Path can be quite harmonious with a 5 Heart's Desire.

That being said, we should concentrate on where the discordance comes from and how it can be deflected and rendered harmless.

To do that, let's think of Richard as water and Elizabeth as fire. In a controlled environment, each of them has a purpose that can be used to benefit the other. But, when they occupy the same space, one is going to destroy the other. The fire makes the water evaporate, or the water will kill the fire.

The lesson here is simple. Don't get in each other's way.

Yours can be a strong, lifelong relationship, if you are both willing to accept the other person as is. So, don't ever try to change your partner in any way and make every effort to lead your respective lives in as

independent environments as possible so that your individual purposes can be beneficial and advantageous to the other.

Richard understands and respects the world of emotions, feelings, and intuitions and is fully aware of the fact that those are, in a very real sense, the bottom line. This is where life pays its dividends. No matter what else is happening in your life, payment comes in "how you feel", your happiness, your contentment as a human being.

Elizabeth relates to the world of dynamic action, impulsive decisions, and risky adventures.
